## PROFILE

I am a Professional Community Manager/Moderator. I am capable of helping your community as Admin/moderator and provide real-time active response/engagement . I have 3 years of experience moderating crypto/gaming/nft/ blockchain projects While I entered the Crypto space 5 years ago. I help users get conversant with the project by attending to all their questions, ban fud/spam in real time provide a friendly community environment whereby users and investors are able to familiarize themselves concerning the ICO, presale, private sale, new features added etc and provide real and well-structured responses to their never-ending queries.

## SKILLS

- English is not my native language but I am too good at it because of engaging with different people everyday.
- Telegram BOT setting e.g., Rose, Combot, Botfather, Menubuilder, dataraw and customized bot owned by project..
- Graphic design on Adobe Photoshop.
- MS Office (Word, Excel, PowerPoint, Access, OneNote, Outlook and Publisher applications), whilst can type English or Urdu on MS Word with 65 to 70 of wpm.
- Well aware of Crypto market, having day to day updates and an investor myself.
